September 25, 2020

Board Members Present: Anne Spirn, Daniel Munnelly (via videconference)

Board Members Absent: Chris Stevens

Others Present: Sharon Hawkes, Carolyn Ziering, Emily Potts – Friends of the Library

Convened: 6:32

The trustees met briefly to review new information in preparation for Town Meeting. Sharon informed the trustees of the Town Administrator’s request that the trustees stand up on Article 1 to amend the Chart of Classification and Salaries. It is his intention to discourage a crowd and controversy at Town Meeting under the pandemic circumstances which a pass on the omnibus budget might negate. Sharon suggested that Daniel Munnelly get up at Article 1 and explain the resolution that was reached and what the trustees expect during the next budget cycle.

There was a brief discussion about the Town possibly paying the custodian’s salary, but not decreasing the Library’s overall budget. Sharon clarified that this was not a new proposal and that she has some reservations with that plan that would need to be ironed out.
